Purchasing solutions for growing churches

HOT PRODUCTS ★ ★ ★ 2020 ★ ★ ★

Every December, we give you our roundup of the hottest products and services that came across our desks from manufacturers and dealers in the church market. This issue should be your church's "wish list" going into the new year, as you continue to evaluate and select products to help you operate your worship facility more effectively and efficiently.

In every issue through the year, every single product or service we cover in the magazine is there because we think it's something that you will find useful, so we're excited about each and every one in all of our issues. Our sole mission is to help you make purchasing decisions, so we're all about products, all the time. This list reflects the "best of the best."

Here are some of the products and services that stood out to us this year.

Religious PRODUCT NEWS® HOT PRODUCTS ★ ★ ★ 2020 ★ ★ ★

Harlequin Floors

Harlequin Floors has announced an improved version of its flagship vinyl performance floor, Harlequin Cascade, now with BioCote antimicrobial protection. BioCote antimicrobial technology is manufactured into Harlequin Cascade, creating a performance surface that is protected from microbes and resulting in a floor that is easier to keep hygienically clean. www.harlequinfloors.com

Dynamic Air Quality Solutions

Since COVID-19, guidelines recommend MERV13 or better air filtration. The Dynamic V8 delivers MERV15 performance, removing ultrafine particles, viruses, and odors. Its low pressure drop makes it ideal for retrofitting into existing HVAC systems. Consumes 2/3 less fan energy than MERV14 filters and extends maintenance intervals from months to years.
