

**It is a great time to be a church leader,** because the market is overflowing with so many options for your worship facility. Here are some of the products and services that stood out to us this year.

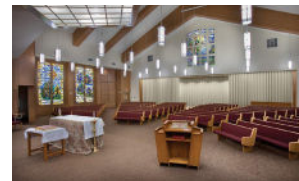

### Specialty Vehicles

Specialty Vehicles has been a global leader in providing diversified people-moving solutions since 1982. Their extensive inventory includes specialty trolleys, trams, electric shuttles, and buses, designed to accommodate groups ranging from 2 to 84 passengers. Customers can choose from both new and used vehicles, and the company also offers comprehensive after-sales support, including service, maintenance, refurbishment, and parts sales.

### Woodfold Custom Accordion Doors and Accordion Partitions

Woodfold is a leading manufacturer of accordion doors and accordion partitions. Accordion doors are widely used in churches, funeral homes, schools, residential homes, offices and restaurants to divide, close off or create spaces needed in larger rooms. All Woodfold accordion doors are custom manufactured to fit into the finished opening dimensions.

### Screenflex

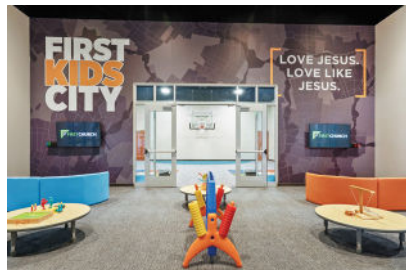

Room dividers offer religious facilities a practical and flexible way to maximize their space, allowing one area to serve many purposes throughout the week. They create quiet, private zones for classes, counseling, or small-group gatherings while still maintaining the openness needed for worship. Easy to move and store, dividers help congregations adapt quickly to changing needs, making every square foot more functional and welcoming.
